Getting ready for school

We have two kids. Emmily and Bret. Emmily is <u>Number</u> years old and Bret is <u>Number</u> years old . Each of them needed to stock up on school supplies. Emmily chose a <u>Color</u> backpack with <u>Noun-Plural</u> on it. Bret chose one that was <u>Color</u> with <u>Noun-Plural</u> going across the front . They each got a <u>Character</u> lunch box. There were many other things they chose. Emmily picked out <u>Adjective</u> erasers, <u>Character</u> pencils and a folder with pictures of <u>Noun-Plural</u> on it. Bret picked a folder that was <u>Color</u> in color and he bought <u>Noun</u> stickers to put on his folder. He also picked out a <u>Noun</u> stick for gluing things and a <u>Adjective</u> ruler for measuring things. They both were stocked up pretty well with what they needed to start school.
