39.	Adjective

My Strange Dream

My dream started off with my and I as and I as in country
We were doing our job when a group of flying came amunst the towns people, one of them
stole a riding a in the street and flew off into the golden body of
water - ocean river pond . My same family member and I had to rescue him somehow so we followed the
color material road when a heard of verb ending in ING Animal (plural) came toward
us. We both hopped on one and headed for the waterfall ahead, we could not
find the person who was taken. We got off our same plural animal as last and suddenly we were in a hot desser
surrounded by sand, cactus's and Noun - Plural This was Adjective, we were very
at this point. Even our outfits changed, I was no longer wearing a cowboy single piece of
clothing , plural clothing and knee-high plural clothing. The clouds suddenly turned color
and a large talking appeared in the sky that told us to verb In fact, it told us to
for our lives. We looked at each other and straight for a small
that we saw from a distance. There, we found the person who was taken, laying in a puddle of
We each took a and dragged the body to a sand where the
person finally woke up. All three of us fell asleep on a piece of and by and by time of day - evening
morning we were in on a floating down a river with a talking
called Then I woke up and although I thought my dream was really
, I didn't want it to end.
