A Romantic Valentine

If you were my, then I'd be your sun,							
painting you rainbows when the come.							
I'd change my orbit to banish the night,							
as to keep you in my light.							
If you were my world, then I'd be your moon,							
your protector, a night-light in the gloom.							
Our fates intertwined, two in motion							
through time and space, our dance of devotion.							
If you were my, then I'd be your sea,							
caressing your Noun Plural, soft and Adjective I'd be.							
My tidal embrace would leave on your sands,							
but by current and storm, I'd ward your gentle lands.							
If you were love's promise, then I would be time,							
your constant companion till Noun Plural align.							
And though we are mere mortals, true love is divine,							
and							

my	devotion	eternal,	to my	Adjective	valentine.
