The Beast With One Thousand Legs!

Hi. I'm First name. One day, my Noun Past tense verb into the back yard of the old A last name house. I had to go get it. So I Past tense verb to the house. It was Adjective. There was a big Adjective gate that I Past tense verb open. It made a Adjective sound. I Past tense verb around the house and into the back yard. There, I saw a Adjective site. It was a Adjective centipede! It was really Adjective and about A large number yards long. I was so scared that I ran away. I didn't care about my kite anymore.
