# Strange new animal

Look at that           Noun          

It's got           Adjective                     Noun           and           Plural noun           are growing out of it's           Body part           This

          Noun           must be           Past tense verb           for           Verb ending in ing           Let's pick a           Noun           off it's

          Body part                     Exclamation           That           Noun           tastes delicious!

Oh,           Noun          . I'm feeling a bit           Adjective          . I think I might           Verb          . Oh no! Those

          Plural noun           are poisonous! Oh, I get it! This animal is a           Noun           eater! It poses as a           Noun          

and let's its           Noun                     Verb           from it's poisonous           Plural noun           and then           Present tense verb          

the body!

What an           Adjective           animal! Let's           Verb           it!
