# "Poem - Werewolf"

He feels the pain of \_\_\_\_\_Verb ending in ing skin

The rage that bursts out from within

The rage that courses through his \_\_\_\_\_Noun

Through which he channels all his pain

The \_\_\_\_\_Noun released from ancient bonds

Tastes the \_\_\_\_\_Noun for which he longs

Freinds, family, they all mean naught

This life is new, with danger fraught

Gaia,

the Earth Mother, blesses them all

In return they answer her call

A call to Part of body defeat the Wyrn

To succeed there is much to learn

Control the Emotion (example: happiness) harness the rage

The ancient force, the curse of ages

So now he Present tense verb the rage within

This rage, once bidden, beneath his Noun.
