Water Skiing

Water skiing is a surface water sport and recreational activity. It is popular in many countries around the world where Adjective Plural noun exist - an expanse of water unaffected by wave motion. Rivers, lakes, and Adjective Plural noun are all popular for water skiing. Standard water skis were originally made of Noun but now are usually constructed out of fiberglass-based Plural noun. They are of similar length to downhill snow skis but are somewhat Adjective. Instead of a rigid binding, they have Adjective Past tense verb binding, in which the skier's feet are placed. Skiers are pulled along by a Noun with a handle fitted at one end and attached to a Noun at the other.
