I am walking my iguana

I am walking				
with myAnimal				
I am Verb ending in ing				
with myAnimal				
When the temperature rises				
to above eighty-five,				
my iguana is looking				

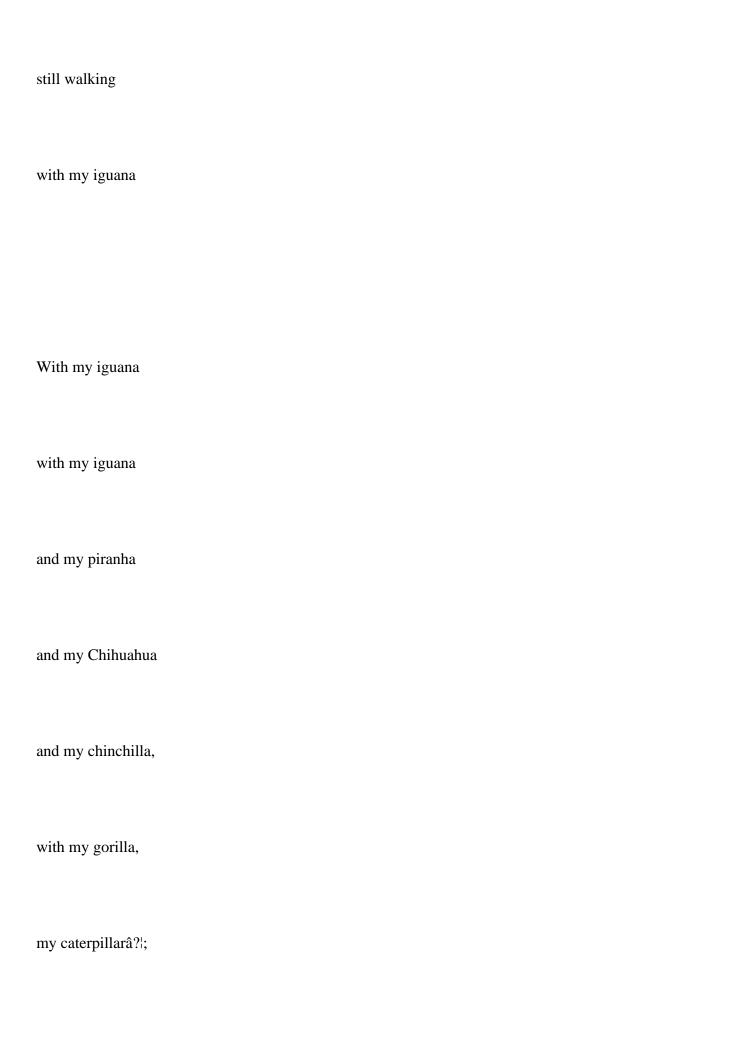

like

heâ??s coming alive.					
So we make it to the					
myand me,					
then he sits on my shoulder					
as we stroll by the sea					
as we strongly the sea					
and I am walking					
with my iguana					

Well if anyone sees us	
we are a big surprise,	
my iguana and me	
on our daily exercise,	
till somebody phones	
the local police	
says I have got an alligator	
tied to a leash.	

And I know that my iguana		
is ready for bed		
when he puts on his pyjamas		
and lays down his sleepy head.		
And I am walking		
with my iguana		

and I am walkingâ? ;	
with my iguanaâ? ;	
with my iguanaâ? ;	
with my iguana
