CCG - the crazy week

You won't believe what happened at camp last summer.

The week before camp started Carole was playing _____Game_____ when she tripped and _____Past tense verb_____ and hit her _____Part of the body_____. After that she started making some very _____Adjective_____ decisions.

First she moved _____Male staff person_____ from Kidville to the kitchen. Breakfast was good but a little bit _____Adjective_____. Nobody was expecting scrambled _____A food_____ and toasted _____A food_____. The salad bar at lunch had nothing but sliced _____A food_____ and a lot of _____A food_____. I'm not even going to tell you about dinner but his _____Adjective_____ dessert of ice cream and _____A food_____ was a favorite with the kids.

Next she took _____Female staff person_____ out of the kitchen and made her the nurse. Everything was okay until _____Boy camper_____ got the sniffles, and she had him drink _____A number_____ cups of _____Liquid_____. Then when _____Girl camper_____ got

a _____splinter, she told her to find a _____and get it to lick the splinter out.

She asked _____to work in Kidville and pretty soon she had all of the kids practicing putting
_____on each other's _____. They had fun doing that but after snack she made
them all play _____for _____hours.

I don't have words to describe the _____photos that _____. took or what happened in
the glass studio when _____took over or the long _____hours we spent untwisting
_____after she tried to do Jim's version of "Downward _____." It was a very strange
week at camp.
