a cat named chickorum.

is a Adjective Adjective cat. He has a Noun. That friend is a giant Noun named First name peanut! He walks all day long through the town and finally he gets there. It is the BAKERY!!!!

He loves the Location. He eats theyre Food Food for cats and theyre Food for babylonian chickas but most of all he eats the Food that was an insult to first name when he found out so of coures HE GOT MAD!!!! >:(he lovvveessss first name so he wanted him back.

Although he loves ther peanuts he was willing to give them up for a friendship with golly. But did first name want to? no!!!! he got a new best friend name First name the chicka and rubbed it in chickorums face!!! chickorum got mad and went to get a new friend. Her name was First name the biscuit !!! He rubbed it in first name face and first name didnt like that either! so then first name went and got 5 other friends just to make chickorum more jealous. Then wen chickorum saw he went and got six friends to top that. Then they all got in a Event. There was Fluid pouring from 3 of the cats'; thighs. there were cats that had died. BUT TWO SURVUVED!!!! first name and..... chickorum!! so they became friend but eventually grew to hate eachother even more than now but thats another story for another story.
