7. Adjective
8. Adjective

# Still Alive (Portal, 2007)

This was a triumph.

I'm making a note here:

\_\_\_\_\_ Adjective \_\_\_\_\_ SUCCESS.

It's hard to \_\_\_\_\_ Verb \_\_\_\_\_ my satisfaction.

Aperture Science.

We do what we must because we can

For the good of all of us

Except the ones who are \_\_\_\_\_ Adjective \_\_\_\_\_.

But there's no sense crying over every \_\_\_\_\_ Noun

You just keep on \_\_\_\_\_ Verb ending in ing til you run out of cake

And the science gets done

And you make a neat gun

For the people who are still \_\_\_\_\_ Adjective.

I'm not even angry.

I'm being so sincere right now,

Even though you broke my heart and killed me.

And torn me to pieces

And threw every piece into a fire

As they burned it hurt because I was so happy for you!

Now these points of data make a wonderful line

And we're out of beta, we're releasing on time

So I'm glad I got burned

Think of all the things we learned

For the people who are Still Adjective

Go ahead and leave me.

I think I prefer to stay inside.

Maybe you'll find someone else to help you.

Maybe Black Mesa?

THAT WAS A JOKE. HAHA! FAT CHANCE!

Anyway this cake is great

It's so delicious and moist

Look at me still talking when there's science to do

When I look out there it makes me glad I'm not you

I've experiments to run,

There is research to be done

On the people who are still alive

And believe me I am still Adjective.

I'm doing science and I'm still adjective.

I feel FANTASTIC and I'm still adjective

While you are dying I'll be still adjective.

And when you're dead I'll be still adjective.

STILL adjective still adjective.
