HOT WET PUSSY FUCK ~ Hardcore! Best Mad Lib on Here!!!

One night _____ Guy's first name _____ and I were messing around. We were laying on my bed French kissing and feeling each other up seductively. He _____ Past tense verb _____ to me and said "Babe, your parents won't be home for _____ Number of hours _____ hours, let me fuck your _____ Sexy adjective _____ little pussy"; I agreed and began to _____ Sexy adjective _____ strip for him - starting at the shirt, I pulled it over my long _____ Hair colour _____ hair, revealing my full, succulent breasts and perky pink nipples. He gave me a sexy smirk and leaned over me, kissing my chest and sucking on my tits. He kissed his way down to my stomach, then unbuttoned my jeans and pulled them down to my ankles, then threw them on the floor. I closed my eyes and rubbed my _____ Body part _____ and when I opened them he was fully naked: His gorgeous _____ Eye color _____ eyes, perfectly chiseled 6 pack, and sparkling white smile looming over me. Best of all his huge, 9 inch penis hung between his thighs, just begging to be sucked. I pulled off my panties and spread my legs, and my hot wet pussy started to be pounded by his hard, thick dick. His balls hit my asshole as my D cups bounced back and forth on my perfect body. I moaned and gasped as he pounded my tight vagina, and he squeezed my big breasts and continued to use me as his personal sex toy. "FUCK YEAH!!!! OHH YESS OHHHHH SHIT IM GUNNA JIZZ"; he screamed as he ripped his dick out of my pussy and squirted cum all over my face, mouth and tits. "YOU LIKE THAT DON'T YOU, YOU FUCKING WHORE. SAY YOU LIKE IT BITCH!"; He said, then shoved his massive load down my throat and force fucked my face like there was no tomorrow. He brutally forced me swallow his jizz, then pulled out to allow me to say "YES I LOVE IT! IM SUCH A WHORE, FUCK ME DIRTY, PLEASE!!!!". "That's what I thought, bitch. I'm your pimp and youz ma hoe."; I bent down on to my knees and sucked his cock and licked his balls

and he groaned and tugged on my hair sexily. Then he threw me back on the bed, bent me so my ass was sticking in the air in doggy style, and he jizzed in my butthole. For almost 30 minutes he hardcore fucked my asshole and pulled on my nipples and occasionally stopped to lick my vag and tickle my clit. It was the best night of my life: by the end i was lying in a pool of cum, my asshole and vag hole stretched to their limits, my guy masturbating to my limp and naked body, and a mouth-full of hot wet jizz. THE END!!! I bet you masturbated didn't you? You dirty hoe ;).
