the secret room

| and was a big as pluto. one day agirl that was very smart came along and |
|---|
| opened the door . when the door opened magical clors flew every where. then the little girl grew fant and cola |
| to the floor. then she wasby a very ugly witch. the witch took the girl by the arm and locked |
| her in a in then the witch started to boil the pot of threw |
| vegtibles in it. just then a heroic prince kicked down the door and saved the little girl. till this day that little girl |
| will never go into a door she didn't know the end . this madis brouth to you by adia andrews. |
