# Super Mario Galaxy

Once upon a           Noun           in a           Noun           far away, Mario found himself           Verb ending in ing           two little stars. He asked them where he was and what happened. The           Plural noun           told him that he was in the Observatory a place of the cosmos. They wanted Mario to meet their           Noun           and mother, Rosalina. She was supposed to           Verb           Mario find his way back to Princess Peach, but instead, she made him find           Adjective           stars for her to fuel the ship. In the end Mario gets his           Noun           back and its           Adjective           ever after! The end!
