Date Night with Wife

Tonight _____^{First name}_____ and me are going on a date. Valentines day was a bust, but tonight is going to make it all better.

First we will go to the _____^{Event}_____. While we're there I will try and find a place to buy her _____^{Plural noun}_____.

Afterwards we will go to dinner. I plan to order hot _____^{Animal plural}_____ and I think she will want fries. If we see people we know we will say, "hello."; Unless, of course, it's her parents, in which case we will _____^{Verb}_____ like we are being _____^{Past tense verb}_____ by a _____^{Animal}_____ with a grudge.

Next we will go for a _____^{Verb}_____ by the river. If I'm lucky she will have _____^{Past tense verb}_____ me by now. But if she hasn't I will just look deep into her eyes and tell her that I plan to _____^{Verb}_____ her forever.

We will end the night with a glass of wine that I picked out just for her -- it's from _____^{Year}_____ and cost _____^{Number}_____ dollars.

Wow!--will she be surprised.
