Maybe if things go well we can go to Event next month. And if that goes well maybe we can go see

community theater. I hope it doesn't freak you out that I'm asking all this --- But the idea of asking you fills me

with Emotion and makes me want to Verb.

I think you should know I want _____ *Number* _____ *Noun* _____. And maybe a pet _____ *Animal* _____. But of course that's after we get married. I saw this house that I thought would be perfect for us --- it had _____ *Number* _____ windows. I could see us and the back yard _____ *Verb ending in ing* _____ and _____ *Verb ending in ing* _____.

Have you ever heard _____? I'm listening to it right now and I think it should be our song. I can't wait to _____ with you.

So, anyway, if you don't find me _____ or _____ and if you maybe find me kind of sexy like _____ and charming like _____ then I'd like to go _____ with you.
