ALEU'S POV

I was enjoying every lick Gohan was giving me. It was extremely pleasurable. He licked my cheek as he stroked my hair. "You're so sexy Aleu."; Gohan said. I was turned on from what he said. I grabbed him and kissed him.

Our tongues touched as we kissed. He tasted like Fruit. He grabbed my tail and turned me around. He took his pants down and held me to his crotch. "I love your ass..."; Gohan whispered in my ear. "How about I take a look at it..."; He whispered again. I felt something hit at my tailhole. "G-gohan..."; I Moan or groan. Anal

Sex. I heard it was more Adjective than Vaginal sex. "Let's have some fun..."; Gohan said.
