# Jenny wants to come back next year!

My name is Jenny and I love working with res life and living in \_\_\_\_\_  
\_\_\_\_\_ I moved here  
for the first time in \_\_\_\_\_ left in \_\_\_\_\_ and missed it so much we came back! What do I love  
about it?! I love that I know my neighbors, we have great \_\_\_\_\_ and I don't feel as isolated as I did in  
other campus'; or housing locations!

\_\_\_\_\_ have really grown over the past few years, and I can see myself really reaching my personal,  
professional and academic goals. Personally, I love being a Momma to \_\_\_\_\_ and raising him in a  
great place like EC!... Professionally I work with res life, and great students...even challenging situations help  
me grow \_\_\_\_\_ strengthen me. That plays a role into my academics, going to school for social work,  
and doing what is a form of "case management"; really goes hand in \_\_\_\_\_.
