# Meanwhile back at the ranch

Once upon a time, there was a very shy curly haired \_\_\_\_\_Number\_\_\_\_\_year old girl and her big floppy haired \_\_\_\_\_Animal\_\_\_\_\_. The girls name was \_\_\_\_\_Girls name\_\_\_\_\_. You might think \_\_\_\_\_Girls name\_\_\_\_\_is a strange name for a little girl, but thsi is no ordinary little girl. She grew up in a family where her mother was a world famouse Jazz musician, and her father - \_\_\_\_\_Boys name\_\_\_\_\_ - protected the state of Nevada against aliens.

So one early fall day - when the pumpkins weren't quite ready but kids were just starting to think about trips to the apple orchard - \_\_\_\_\_Girls name\_\_\_\_\_decided to take \_\_\_\_\_Name\_\_\_\_\_on a wild adventure to \_\_\_\_\_State\_\_\_\_\_. What people didn't know is that she and \_\_\_\_\_Name\_\_\_\_\_had secretly perfected a system by which they could transport themselves to anywhere in the world via internet - a very commercially lucrative device if marketed, but they were concerned about it's impact on professional sports as well as theater ticket sales. So on this fine September day, \_\_\_\_\_Girls name\_\_\_\_\_and Pogostick zapped themselves to a remote canyon in Wyoming, a canyon of very small proportions but inhabited by giant red stallions that ate nothing but scallians. Very strange, and slightly smelly I might add.

So

they arrived in this canyons shortly after \_\_\_\_\_ Meal{brekfeast .lunch .dinner} local time, and the air was pungent with Scallion scent. They decided to look for the famous piece of stallion art - the Mona Stallica. They thought they saw it over by the \_\_\_\_\_ Noun but when the gargoyls found out there was a horrible flurry of \_\_\_\_\_ Food fights between the Stallions, \_\_\_\_\_ Name and the local Walmart employees, so they went home.

The End.
