Around the world

A girl named First name was entering a big compition for Around The World and so was her friend First name. "I'm so exited!"; said First name. Yeah. I said. I had trained 4ever. I said To First name. Ready set go!! The annoucer said I ran like for a mile then came a wall,a rock climbing wall. A ton other people were there reeady to climb it to sos I just did it. When I was done you had to run for a Number five more minutes and then come some Adjective rubber balls came. I ran right through them and then Pow! I got hit into the water. So on and on came runnig and hoops and more runnig then Past tense verb up Noun run run run then ice and more obstacels but when I came to the finish line, I was amazed what place I came in. Number.
