The Spongebob

One day, I was _____^{Noun}_____ with my _____^{Color}_____^{Noun}_____ Bob. We were watching TV when all of a sudden; the house begins to violently shake. Bob started to dance uncontrollably by the beat. I was hiding under a table. But a few minutes later, the door rang and the house stopped shaking. I cautiously slid out from the table and answered the door. It was a cute spongedog. Then it started speaking.
