Edward the Fairy

Once upon a time there was a Animal named First name. He was a sparkly fairy, and he got Adjective by other fairies because he was so sparkly and he liked other guy fairies. One day he was flying through the Location and Adjective orange oompa-loompas found him in a hole in a tree and thought he was a Noun. Because he was so sparkly the decided to capture him and worship him like a god. Then they all turned into fairies. The End.
