the skary zombie attack

once apon a time a littlenamd nickoli came to italy and she saw no one there and from then she
knew something was rong and she took out her gun and siad is anyone out there. no answer so she started to
shoot wildly and sudenly she heard groning and then a shado of a person so she ran to the stranger and found it
wasnt a person it was a zombie. soon she was almost sorounded my big bad brain eating zombies so she had 30
left so she shot them despritly and acuritly and soon almost half of them were gone and at that
point she had to stay in one spot and find natrall reasorses to help small hopeless nickoli find her way home so
she reached out to the car next to her and ripped of the tire and throw it with all her might and hit not 1 2 0r 3 but
4 and there was 30 to go and soon the got closer and closer in till she had to run and soon they cought up with
her trying to scrach all the skin left on her leg that did not haveall over it so she could only hide
in the top of the building were she found a hopeless group and she wornd them that there was more coming for
us so they found a zipline and fallowed it to the bottom and ran till the ocean and stopped and bilt a raft that
would help them to survive to the land of live and not like her home in italy.
