The vote

As the suffrage day came closer I was worried because I still had not made up my mind about who to vote for. I

was sustaining my position and to my friends I was neutral. Only I knew that my plan to subvert the world was

_____ Verb ending in ing _____ into place and the last step was near. The only thing left was to suffocate the

_____ High position _____ then suggest that my accomplice (a well known politician also a part of my scheme) should step

_____ Preposition _____ the role as president. While he is in office I will surreptitiously eliminate the vice by

suspending him from a bridge. After I shall summon my finest marines and _____ Adverb _____ tell them to evacuate

the _____ Noun _____ because any one who stays will be surviving at a level of substance. I will then take the

secretary and slice a _____ Adjective _____ wound subcutaneous so that he will die. While my subjects are being

subservient I will make a subtle move _____ Conjunction _____ kill them all by screaming _____ Interjection _____.
