5. Verb Ending In Ing \_\_\_\_\_

# Ben and Asa get hitched!

in a not so long time ago in a city named \_\_\_\_\_Location\_\_\_\_\_ pretty close by, two people in love decided it would be a great idea to get hitched. They went to Brockport at the same time, and had a lot of the same friends, but they never met one another in College. Fast forward a few years later, and now what are they supposed to do with 2 houses, 3 \_\_\_\_\_Plural noun\_\_\_\_\_ 5 million cd's and a whole bunch of stuff to move. They met at a \_\_\_\_\_Event\_\_\_\_\_ party at The \_\_\_\_\_Location\_\_\_\_\_ Bar, and next thing you know Ben dropped down on bended knee and proposed in front of the whole dome Arena. So here you are, \_\_\_\_\_Verb ending in ing\_\_\_\_\_ at a table doing a Mad libs at a wedding where they're serving dinosaur Barbecue cheeseburgers and the wedding cake looks like a pinball bumper. Make sure you have a Scotch Ale from Rohrbach's, because that is the first growler the couple shared at Ben's first visit to Asa's kitchen table. The Honeymoon will be in Belize, and they are so excited about it.
