# Monkey March

It was a cold day in \_\_\_\_\_. Two girls decided to get ice cream at \_\_\_\_\_ Deli, but some thing  
bad happened. The two girls ran into a monster named \_\_\_\_\_. \_\_\_\_\_ was a \_\_\_\_\_  
\_\_\_\_\_. As soon as they saw \_\_\_\_\_ they screamed to the top of  
their lungs, as did \_\_\_\_\_. You see \_\_\_\_\_ lives in fear and he only comes out every other  
year and only for one night, but this time he felt confident and went out during the day. Soon after the girls  
stopped screaming they saw that \_\_\_\_\_ was a kind and \_\_\_\_\_ under all that  
dirt and fur. So never will those two girls judge a \_\_\_\_\_ by its appearance.
