Kittens first time saying meow

All bad cats tried to kidnap Kitten! Every day Kitten walked with her Pink or purple at the park. One day

Kitten said meow to the bad cats. Pink or purple said it's your first time saying meow! Meow? Kitten said.

Meow! Pink or purple said.

The meowing song:

Meow meow meow meow!

Meow meow Blood red or grass green

Meow meow meow!

Meow meow Blood red or grass green

Every

day I walk!

Every night I run!

Meow meow meow meow!

end of song

Blood red or grass green for on one and for all! Kitten yelled. Well, now she loves saying meow, and bye.
