# Hairy Harry

I have a dear friend named Harry. Harry is, well, \_\_\_\_\_ hairy. And he doesn't just grow hair  
\_\_\_\_\_ he grows it \_\_\_\_\_. It grows from his nose, from his ears, to the \_\_\_\_\_ and to  
the \_\_\_\_\_. In fact, it grows so \_\_\_\_\_ that he has to have his own personal hair stylist named  
Rapunzel. She got the job because she has a lot of experience with long, flowing hair. She \_\_\_\_\_ cuts  
his hair \_\_\_\_\_ and \_\_\_\_\_. \_\_\_\_\_ Harry's hair just stopped growing. In fact, he is  
bald. Now Harry is going \_\_\_\_\_ to find a hat that will cover his head \_\_\_\_\_.
