# A Day At School

I arrive at school to see \_\_\_\_\_ First name sitting by their locker. Then I go and sit by \_\_\_\_\_ First name like I do every morning.

In first period I wake up to the sound of \_\_\_\_\_ Name of a person lecturing in government.

Depending on the lesson of the day I leave first period tired or sleepy.

Barely making it through second period I go to break and wait in line with \_\_\_\_\_ First name who always \_\_\_\_\_ Verb.

Third and fourth come and go, now its time for lunch. Almost done with the day and I just have to make it through the last two periods of the day. Fifth with \_\_\_\_\_ Name of a person and sixth with \_\_\_\_\_ Name of a person.

Now that I'm done with school I go to practice with Coach \_\_\_\_\_ Name of a person and my friend \_\_\_\_\_ Name of a person. After practice I head home to get ready to do it all over again.
