# Day Away

There once was an NVCSS Noun who hated going to work. Then one day they decided to only work when there boss was around and Verb all the other time. This made the employee like going to work but did not make the employee very productive. Their clients were not getting Verb their paperwork was not getting done and most of all their Noun did not understand why. This continued for most of the fiscal year until the boss decided to put video recorders in the work place. The boss quickly learned what was going on and decided to fight fire with fire and started sleeping unless the boss was around. Of course the productivity went down and the Noun Noun could not figure out what was going on. The county director put video recorders in the office and soon found out the problem. The county director decided to Verb fire with fire and started sleeping too. So the only person left to do the job of all of NVCSS was Jake and Pam. Jake was Verb golf so Pam was forced to do it all.
