Day Car Insrctor 2

Kiddy Kare had recently lost their best _____
Occupation_____. Her leg and ankle were finally healed after 4 months. She went back for her job and got it. She was Scheduled to wor _____
Number_____days a week, _____
Number_____to _____
Number_____hours a day at minimum wage, which was \$15 an hour. She was the helper in the play room, _____
Noun_____maker, planner, and _____
Occupation_____. She planned out the days activities. Like: what they ate, when they ate , what they did during the day, and how long each activity lasted. Her first day bac, the kids ate lunch at 12:30, they played hide and seek for 2 hours, then they napped, had snack time, and went home. The next day was even more tragic. One of the daycare kids fell off the playground and broke her arm. She was crying for 2 hours straight, until her mom showed to take her to the doctor. Later that day, _____
Number_____of the kids went missing in the daycare. She was getting really irritated. She blew her whistle and, everyone was quiet. She put them all to sleep, and she went home for the weekend.
