Bus Rides

Busare fun unless your sitting across from the weird kid in class who talks to the seat infront of
him. You and your friends arewhen he asks "; Have you seen my pet; You and
your friends think he's just trying to scare you so you and your friends say "; Come on we know your just tryin
tous!"; He says that he had him in hisand now he's not there, you dont buy it for
one second. Suddenly you see somethingon your friends shoes she screamskicks
heraround, the weird kid gets detention for bringing ato school, and you get a
greattoto Or you have thebus ride which is trying to get to the ver
backs seats and Noun to Nicki Noun in the backseats with your friends!!!
