I Hate or love TCAP! First, I have to go to bed at \_\_\_\_\_ p.m.

Then, I get up and eat \_\_\_\_\_ food such as \_\_\_\_\_

and

\_\_\_\_\_. When I get to school, I am as nervous as a

\_\_\_\_\_ being chased by a \_\_\_\_\_. Before the

test, we eat a snack. But this is not a delicious \_\_\_\_\_. It is a

healthy \_\_\_\_\_ that my mom packed. When the test starts,

we have only \_\_\_\_\_ minutes to finish. I had to read a really long

story about \_\_\_\_\_. Then I had to answer

\_\_\_\_\_ questions about the text. Then, I had about

\_\_\_\_\_ more questions. Plus, I had to write a paragraph. I was

working when all of the sudden my teacher announced we had only

\_\_\_\_\_ more minutes to finish! I was sweating like a

\_\_\_\_\_. I didn't think that I was going to have time to finish!

I was working \_\_\_\_\_. There was only \_\_\_\_\_ more

minute! Then, I finished!; Just as my teacher announced that it was

the end of the test. That was too close!!!
