# Having fun at school

I like \_\_\_\_\_, because you can talk to your \_\_\_\_\_ from one period to another. In school, my favorite classes are \_\_\_\_\_, \_\_\_\_\_, and \_\_\_\_\_. In \_\_\_\_\_, we play a lot of sports like \_\_\_\_\_, \_\_\_\_\_, and \_\_\_\_\_. The most important thing that I like to do in Math is when we go to the computer, we do Academy of \_\_\_\_\_ and I-ready. In Academy of \_\_\_\_\_, we do different word problems that they give us. In I-ready, we do different kinds of addition, subtraction, multiplication, and division word problems. Also in \_\_\_\_\_, we read tand sometimes get on the computer at the end. We do different kinds of worksheets in the workbooks.
