How I Met Your Mother

It was a beautiful day, when I verb - Past Tense passed your mother in I'd say
Number . She was the most beautiful Noun I have ever seen. Her long lushes Adjective
hair and her tight dress complete with the most incredible I
in my tracks to tell her how she's the one, but I probably shouldn't because you see, she
was escorted by her beloved of whom I still fear today. So, instead, I introduced myself to her
and made him believe I was part of the body and was offering a tour of the
Noun . Her Noun was Verb - Past Participle and now here you are with us, one
happy family! But i have to warn you don't repeat this to or your daddy
would have to far away and never you again. And that is the story of How I Met
Your Mother!
