about how _____ . _____ most of their
language from their ancestors, the _____ .

_____ different languages:

_____ and
_____ .

_____ and _____ .

_____ - Body Positions and _____ and Facial Expressions .

Actual Article:

How Do Wolves Say Hello?

Have

you seen dogs jump up to greet their owners, bark at strangers or roll over when another dog approaches? Then you already know something about how wolves communicate. Dogs inherited most of their language from their ancestors, the wolves.

Wolves use three different languages:

Sound - Howls, Barks, Whimpers and Growls.

Special Scents - Scats, Urine and Pherimones.

Body Language - Body Positions and Movements and Facial Expressions.
