THE fun

The funny star was wiggling all around the _____Color_____sky next to _____Name_____. She was dancing all over the evidence and ruined every thing. Then Lizzie took over _____Location_____and every one, and I was very scared then I ran away from her then she hurt me. I found a nice _____Location_____to spend the night in to hide from _____Name_____. Then karlie came and gave me a cup of coffee for no reason what so ever. Then she hid with me from _____Name_____. _____Name_____came and ate us it was very slimy in her body. I didn't like it in there. I got a stick and started to hit that ball looking thing in her throat then she cough us up and we were free. Then a _____Color_____ _____Animal_____ate me but not _____Name_____Lucky _____Animal_____.
