The funny star was wiggling all around the <u>Color</u> sky next to <u>Name</u>. She was dancing all over the evidence and ruined every thing. Then Lizzie took over <u>Location</u> and every one, and I was very scared then I ran away from her then she hurt me. I found a nice <u>Location</u> to spend the night in to hide from <u>Name</u>. Then karlie came and gave me a cup of coffee for no reason what so ever. Then she hid with me from <u>Name</u>. <u>Name</u> came and ate us it was very slimy in her body. I didn't like it in there. I got a stick and started to hit that ball looking thing in her throat then she cough us up and we were free. Then a <u>Color</u> <u>Animal</u> ate me but not <u>Name</u> <u>Lucky</u> <u>Animal</u>.
