Charlie the Ugly Clown

Once upon a time an _____^{Adjective} clown named _____^{Proper noun} went to the circus in _____^{Proper noun}.

He walked with the _____^{Noun} and flipped on the _____^{Noun} but oddly didn't enjoy it. Many clowns in

the district wanted that job but he ignored them. Whenever _____^{Plural noun} asked him why he wasn't smiling

he said that he didn't because he was a clown and he was supposed to make people laugh and they went on and

on about that and sooner or later he got _____^{Past tense verb}. He didn't own any other clothes so he had to wear

his _____^{Noun} costume everywhere he went. Then he met a super silly and nice girl named _____^{Proper}

_____^{noun}. They loved each other so much that they ran off to _____^{Proper noun} and got married after only

_____^{Number} dates. Life was great from then on and turns out that _____^{Proper noun} didn't ever take his

clown costume off!
