Michael Jackosn At The Park

One day I went to the park and saw <u>Name of a person</u> <u>Name of a person</u>. He was <u>Adjective</u> <u>Adjective</u> the sky on the swings. I was like "Hey what up Michael!?"; He was like "Oh nothing much just here at the park <u>Verb</u> out taking a break from music work."; Back than I was a big Michael Jackson fan! One of my favorite songs of his was Beat It. Michael was a really shy guy he barely ever talked. I don't know why maybe because he was nervous of everyone asking him question or <u>Verb</u> at him. Michael was <u>Verb</u> rock out clothes like he had a big concert, or performance, or some party thing later that night. Although <u>Name of a person</u> did not talk that much it was still really cool to see him and even cooler to have a short conversation with him. I didn't want to keep on talking to him because I was kind of getting the feeling that he would've got annoyed. Well yeah so that's my story about the time where I was at the park and I saw <u>Name of a person</u> <u>Name of a person</u> <u>GOODBYE! THE END! i?? i?? i??</u>
