# My Alien Friend

I was walking back from school. I heard a loud noise so went to go check it out. There was an alien. The alien had \_\_\_\_\_ Color pants, \_\_\_\_\_ Color boots, a \_\_\_\_\_ Color shirt, \_\_\_\_\_ Color gloves, \_\_\_\_\_ Color skin, and \_\_\_\_\_ Adjective \_\_\_\_\_ Color eyes. "Oh wow an alien!" I yelled. "Hi I'm \_\_\_\_\_ Silly name, I need to hide from another alien who's chasing me." I was shocked. "Why is the alien chasing you?" I asked. "His name is \_\_\_\_\_ Silly name he's trying to make me his slave back in \_\_\_\_\_ Made Up Planet!" He yelled. I told him he could live with me in my \_\_\_\_\_ Room in a house. He was \_\_\_\_\_ Adjective, which I was funny because I imagined aliens being \_\_\_\_\_ Adjective. A couple weeks after hiding the alien a knock on my door came. It was a \_\_\_\_\_ Adjective, \_\_\_\_\_ Color, alien. "I know your alien friend is hiding back here!" It must have been the guy the alien talked about. "Sorry, he's not here." I lied. He knocked me out of the way and grabbed my alien friend my he \_\_\_\_\_ Body part. " \_\_\_\_\_ Your name help me!" He yelled. I took out a \_\_\_\_\_ Weapon \_\_\_\_\_ Weapon and hit the alien guy in the head. Then my alien friend lived back on his own planet, \_\_\_\_\_ Planet.
