Randomness

What would you do if you looked outside one morning and saw an Croud of neon striped monkeys, flying Apples and blue donkeys approaching your house. Well ill tell you what I would do I would decided to do sit on my couch and do nothing but than things turned for the worst the Apples started braking in through the windows, and the neon monkeys broke in through the Roof and the Green cows started to attack the rest of my neighborhood and then It Came to me I should have ran but the I went down my crazy green hallway to my Magic rainbow neon random toilet I sat down in my Magic toilet and then the neon monkeys broke down the door and then I realized I was screwed.
