# The Young man

A young man went to the \_\_\_\_\_Place\_\_\_\_\_to purchase some food for his family. While he was walking to the \_\_\_\_\_(same place)\_\_\_\_\_he saw a \_\_\_\_\_Adjective\_\_\_\_\_house; he started dashing towards the burning house not knowing what to do. He stood there for \_\_\_\_\_Number\_\_\_\_\_seconds until a \_\_\_\_\_Person\_\_\_\_\_had arrived; he walked close to the boy and said "It wasn't a \_\_\_\_\_Adjective\_\_\_\_\_house it was really a house that was painted \_\_\_\_\_Adjective\_\_\_\_\_ \_\_\_\_\_Color\_\_\_\_\_"; The boy felt foolish and became embarrassed and never came back to that house again. His family has never heard of this day, and probably never will. The End.
