Camping Trip Journal

Dear Journal,

Our Noun trip has been so much Preposition or subordinating conjunction Preposition or subordinating

 conjunction Before I came, I was Preposition or subordinating conjunction that I wouldn't be in a

 Preposition or subordinating conjunction with any of my Noun - Plural friends. I didn't know what kind of

 Adjective food we would Verb , or what Adjective activities we would be

 Verb - Present Tense . Most of all, I wasn't Adjective where I would be able to go to the

 Noun ! But it has all worked out and now I want to go Verb - Present Tense every Adjective

weekend!

Yours Adverb ,
