The Gift

went to the Store to find his best friend a gift for his birthday. It had to be the Adjective gift in the world. So he went to the store to find a gift for his friend. He went to the toy section to find a gift. He saw a Present tense verb Animal to unoriginal. There was Toy everyone had that, not good enough. But there, a bright shiny red mini bike. Perfect fit for his friend. It was only... Number Same name only had Number that could only buy, a toy Toy The idea of a Adjective gift was gone!
