I agreed to this obscure rule and went inside the city. The inside was even more beautiful than the outside. It had _____ Noun _____ Noun with _____ Noun lining the side. _____ Food of every size. Even some of the people inside looked good enough to eat, like ice cream. I was dazed for a moment, but quickly recovered to ask the

When it was finally my turn, it was actually the jadheasi from before! I asked him how to get back to location. He said I could have gone home from the time I got here. I started to ask him how to get home and he said to just ask Bob the way home. He was a magical flying animal. So, I asked Bob to take me home and then there I was, home sweet home. With ice cream everywhere!
