## **The Princess That**

Once upon a time there was aprincess namedprincess named she was cursed by an evil
witch. This horrible curse was that the princess would never be able tounless her true love told her
a joke. Now most people hear stories about true love blah blah blah but this is different. Now the princesses
parents were king and queen androshinernationalty and they ruled the planetwhich is located
near mars ). The king and Queen were sothat there daughter neveror even
smiled so they held a competition where all the men in the planet were invited to try to make the princess laugh
and the one that made her laugh would receive herin marriage. Many men arrived to try
and win her heart but none prevailed, until the last of the competition when a small town
farmer boy named Person in room arrived and told her a joke about a Noun a Noun and
a When the princess heard this joke she started to then started to laugh, then
screeched with laughter and after aboutminutes of laughter the princess stopped and ran
into her true loves arms and they lived happily ever after.

THE END
