# High in the park

My day began pretty \_\_\_\_\_ Adjective \_\_\_\_\_. Wake up, eat \_\_\_\_\_ Noun \_\_\_\_\_, pull on jeans, call in sick to work and head to Dolo. Turns out my \_\_\_\_\_ Noun \_\_\_\_\_ (that lackluster ass-hat, dirty water, dic\*-lipped, anti-poon waste of sexual organs and air) decided to break up edibles in my cereal in hopes that I would eat it and then go to work super high.

It worked, I was high. Really high. So high I could taste colors and touch emotions. Up was happiness and left was pink. But, unlike the \_\_\_\_\_ Adjective \_\_\_\_\_ acceptance that comes from \_\_\_\_\_ Adverb \_\_\_\_\_ doing drugs, \_\_\_\_\_ Adverb \_\_\_\_\_ doing them is much different. I didn't know how I got high, which lead me to think I was having a stroke or that I had died and this was some weird limbo. Ultimately I decided that I was still dreaming. This was a mistake.

Accepting the fact that I was lucid dreaming, I got half naked and \_\_\_\_\_ Preposition or subordinating conjunction \_\_\_\_\_ myself while running down Guerrero street (don't judge me). I arrived at the park with a half eaten Mexi-pop and 1 can of \_\_\_\_\_ Proper Noun \_\_\_\_\_ (if you know how I got these things please let me know and if I robbed a store, I'm sorry and I will repay you.) I saw you almost immediately and tried to make my move. You were beautiful. \_\_\_\_\_ Noun - Plural \_\_\_\_\_ more beautiful than a tinfoil wrapped Cancun super burrito and skin graffitied like a side street mural. I would go \_\_\_\_\_ Noun \_\_\_\_\_, fair-trade, local, organic for you. But, things didn't work out in my favor . As I approached to drop my finest pick-up lines, I tripped. I must have hit my head on a \_\_\_\_\_ Noun \_\_\_\_\_ because

I

woke up in the grass facedown and you were gone. If you remember seeing a clumsy boy knock himself out, I'd love to take you to dinner at Gracias Madre. Also, if you know who went through my pockets while I was unconscious I would really appreciate that too. I'm missing an \_\_\_\_\_ Noun \_\_\_\_\_ filled with Celine Dion's greatest hits.

Always,

Joseph
