# Crazy Guy Who Sits Next to Me

There once was a really           Noun           brown-haired person. He was a horribly ugly worm-like guy named           Name          . He was suspected of murder and many other crimes like robbing           Noun           and jewelry           Noun          . I sit next to Lady in           Name of class           class. I'm           Verb           of him. He tries to turn off my computer monitor all the time. It's really annoying. One day, we were in class and Lady shouted           Adjective           loudly, "BLAH, BLAH, LA, LA, GOODY, GOODY, GOODY!"; Then he           Past tense                     verb           out into the snow. He then realized that he is allergic to snow. He is also allergic to gluten and rich white people. Anyway, he got hives, and then died. Well we all thought he wasn't dead because he was still twitching, but he was truly dead. In his dreamland afterlife he met this astonishing rainbow fish named           First name                     Last name          .           Same first name                     Same last name           told him he was dead and that he had a weird name so he punched her then ran away only to come back to life as a zombie who tried to take over the world, but failed miserably.
