# Nothing to Fear pg.244-279 SZ

A name can mean a lot. It can shape the way someone grows, and it can shape their personality. It can show where they're from and what they're like. Some names are more famous than others, \_\_\_\_\_ Conjunction none are more important to Danny than the Garvey name. Danny's mother made a very interesting choice to have a third child, but it proved to be a fantastic journey after all because once she had \_\_\_\_\_ Adverb suffered the Garveys were rewarded with a \_\_\_\_\_ Adjective baby \_\_\_\_\_ Noun. Danny and his mother were debating \_\_\_\_\_ Preposition what to name the baby. His mother \_\_\_\_\_ Verb - Past Tense it should be an Irish name while Danny thought it should be an American name because they were truly American, but he still didn't want to forget his Irish roots. \_\_\_\_\_ Pronoun name means noble and fits him well because it is a synonym of proud. \_\_\_\_\_ Interjection! That's really ironic. Patrick came earlier than his due date, so he was a bit thin and scrawny. Danny thought for awhile that Patrick was like a little monster inside of his mom that changed her and caused her great pain, but he loved his little brother anyway. Patrick's name perfectly defines the Garveys, and he will be remembered as the little boy who brought much excitement to the little apartment, and although his new name is now Powers, he'll never forget his noble dad.
